Matte Black in the Kitchen.

The Matte Black finish is fashionable, versatile and bridges transitional and modern styles. It can serve any number of purposes: from contrasting a light backsplash to standing out in a busy kitchen. We're expanding the finish to additional kitchen collections so you can create a unique look that's anything but dull.

Matte Black in the Bath.

Striking in any environment, Matte Black is the perfect finish to warm up a cozy, contemporary bathroom, or to create eye-catching contrast in a transitional space. We're expanding the Matte Black finish to other bath collections so you can create your own bold statement.
