Ara® Bath Collection

REFINED. CONTEMPORARY. SOPHISTICATED.

With defined geometric angles and edges, the Ara® Bath Collection creates a streamlined look of contemporary elegance.

- DIAMOND™ Seal Technology on enclosed spout widespread lavatory uses a tough diamond-embedded ceramic valve to ensure like-new operation for the life of the faucet.
- MultiChoice® Universal Valve makes it faster, easier and less expensive to upgrade style, finish and functionality without altering plumbing behind the wall.
- H₂Okinetic® Showers provide the feeling of more water without using more water.
- WaterSense® labeled faucets and showers – Delta Faucet Company is proud to be the EPA’s 2011, 2013 and 2014 WaterSense® Partner of the Year and the Sustained Excellence Award Winner for 2015 and 2016.
