The Palm Shower from Delta® offers simple, one-handed operation. You are in control when showering yourself, a young child or a pet.

- Non-slip, ergonomic grip slides easily into your palm and hugs your hand.
- Touch-Clean soft, rubber spray holes allow you to easily wipe away calcium and lime build-up with the touch of a finger.
- Integrated Spray-Selection Button provides simple, one-handed operation and four spray options, including the popular Pause feature, which slows water to a trickle to conserve water.
