Trinsic® Bath Collection

SLEEK. SUAVE. URBAN.

The sleek elegance of modern design is embodied in the Trinsic Bath Collection.

- **DIAMOND™** Seal Technology uses a tough diamond-embedded ceramic valve to ensure like-new operation for the life of the faucet.
- **MultiChoice®** Universal Valve makes it faster, easier and less expensive to upgrade style, finish and functionality without altering plumbing behind the wall.
- **H₂Okinetic®** Showers provide the feeling of more water without using more water.
- **WaterSense®** labeled faucets and showers – Delta Faucet Company is proud to be the EPA’s 2011, 2013 and 2014 WaterSense® Partner of the Year and the Sustained Excellence Award Winner for 2015 and 2016.
